[Total: 8]

Exercise 2

- 5 You will hear a young woman called Jenna talking about her first flying lesson. Listen to the talk and complete the details below. Write **one or two words, or a number**, in each gap.

You will hear the talk twice.

My first flying lesson

Jenna thinks hearing about the experiences of her inspired her to learn to fly.

Jenna was concerned that the weather forecast predicted for the day of her lesson.

Jenna uses the word to describe how she initially felt about the details of her lesson.

Jenna found it quite hard to remember the of different parts of the plane.

Jenna was surprised that the instructor allowed her to operate the in the plane.

Jenna was especially impressed by the view of the below them.

At one point during the flight, Jenna was asked to estimate the of the plane.

Jenna particularly liked her instructor because of his during her lesson.

[8]

Exercise 3

- 6 You will hear six people talking about performing plays on stage. For each of the speakers 1 to 6, choose from the list, **A** to **G**, which opinion each speaker expresses. Write the letter in the appropriate box. Use each letter only once. There is one extra letter which you do not need to use.

You will hear the recordings twice.

Speaker 1

A It's helped me become more confident.

Speaker 2

B It's improved my communication skills.

Speaker 3

C It's introduced me to a possible career.

Speaker 4

D It's made me appreciate actors' skills.

Speaker 5

E It's shown me the importance of teamwork.

Speaker 6

F It's made me see the value of constant practice.

G It's helped me take responsibility for mistakes.

[6]

Please turn over for Exercise 4.

Exercise 4

- 7 You will hear an interview with a university student called Andrew Harris, who is talking about studying geography. Listen to the interview and look at the questions. For each question, choose the correct answer, **A**, **B** or **C**, and put a tick (✓) in the appropriate box.

You will hear the interview twice.

- (a) Andrew says he first became interested in geography because of

A the travelling he did with his family.

B a collection he was given.

C a map he displayed in his room.

[1]

- (b) What does Andrew say about the university he applied to?

A He expected there would be a lot of competition.

B He didn't feel optimistic about being accepted.

C He was determined to study at the place of his choice.

[1]

- (c) Andrew says some of the other students on his course

A had got more life experience than him.

B knew a lot more about geography than him.

C had studied at the university longer than him.

[1]

- (d) What did Andrew find fascinating about studying cities across the world?

A They have developed very rapidly.

B Buildings have fitted in with their surroundings.

C Water has been a common feature of their location.

[1]

- (e) On the study trip, Andrew says he was pleased that he

A made some discoveries to help his project.

B had the chance to observe historic transport.

C was so close to some beautiful scenery.

[1]

(f) Which skill does Andrew feel he's improved on the course?

A reading research papers

B using statistics

C producing reports

[1]

(g) Andrew thinks the most important thing he's gained this year is

A an awareness of the risks to the environment.

B an appreciation of how landscape affects people's lives.

C a historical view of how the weather has been changing.

[1]

(h) What would Andrew like to do after he graduates?

A find a teaching post

B become a journalist

C work in conservation
