

Read the documents in the accompanying insert and answer **all** the questions. Answers should be written in continuous prose.

You should spend approximately 10 minutes reading the documents in the insert before attempting to answer the questions. This is allowed for within the time set for the examination.

Sustainable futures

1 Study Document 1.

Identify and explain **three** ways palm oil production is better than other crop production, as given by the author in Document 1. [6]

2 Study Document 1.

Assess the strengths and weaknesses of the evidence that the author gives in Document 1 to support the claims made about palm oil production. [10]

3 Study Documents 1 and 2.

To what extent is the argument presented by the authors in Document 2 stronger than the argument presented by the author in Document 1? You should consider the strengths and weaknesses of each document. [14]
