Read the passage below and answer questions 6 to 9

My uncle and I were driving along a lonely village road. It was late in the evening and we feared arriving home late. It usually took us two hours from grandfather's place to ours. My uncle found it necessary to speed.

It happened faster than the blinking of an eye. One of the front wheels got a puncture. Unfortunately, my uncle had not carried a spare wheel with him. To avoid any unexpected attack, he drove almost two kilometres until we reached a shopping centre. We were lucky to find a mechanic who fixed the puncture and tightened the brakes. We took off again and arrived home safe and sound. I put up at my uncle's place since our home was a little far and my uncle and I were very tired.

6. Why did the writer's uncle drive fast?
- A. The road was smooth
 - B. The village road was lonely
 - C. It was late in the evening
 - D. He feared being attacked

- A. Slowly by slowly
 - B. All of as sudden
 - C. Knowingly
 - D. Mistakenly
8. How long did it take the writer's uncle to drive with a flat tyre?
- A. About two kilometres
 - B. Exactly two kilometres
 - C. Atleast 2 kilometres
 - D. More than two kilometres
9. What could not be a reason why the writer spent the night at his uncle's place?
- A. He feared unexpected attack
 - B. They arrived a little bit late
 - C. They were both very tired
 - D. His home was a little far from his uncle's

Read the passage below and answer questions 10-12

Many people take a long period of time before cleaning their wardrobes. They are usually messy and disorganised.

A well-organised wardrobe will save you a lot of time in the morning.

When cleaning the closet, first empty the space. Remove all clothes, footwear and any other items in the wardrobe. Sort your clothing such as trousers, shirts, suits and others. Take out unnecessary items like foodstuff and stationery that are not suitable for a wardrobe.

Some clothing which are not needed or do not fit anymore should be separated for donation. Now start folding clothes and use hangers for those that need to be hanged. Try using same style and colour of hangers to give an impression of organisation and cleanliness. Always remember to completely avoid mixing water and wood. Wipe clean with a water -based cleaning solution. Moisture damages your cabinets and may cause wood rot which can dampen your clothing

10. What is the advantage of a well-organized wardrobe?
 - A. It takes too long to clean
 - B. It saves a lot of time
 - C. It wastes a huge space
 - D. It makes the wardrobe look messy
